## EaglePointe Family!

Lisa and I will be heading out of town Sunday after church and will return Wednesday. This is Lisa's spring break and we are in serious need of rest and relaxation. I am hoping to get some much needed time alone with God, away from the hustle and bustle of life. This cabin is high up in the mountains. It is about as close to God as one can get.

If you need to reach us just call the church 334-466-8277 and it will forward to my cell. I'll have limited access to email.

Just a reminder: Please place City Fest on your calendars this year. We had a great turnout for Our Halloween outreach. City Fest is even bigger. All day April 26, 2008

*It is always fun and we get the opportunity to meet new people. Last year we had a root beer keg and gave away cups with root beer that said... "We're rooted in Jesus"*

*This year we hope to have a prayer booth. (We Ask people if we can take their prayer requests and pray with them on the spot.)*

*Please make plans to help us in the booth. Bring the kids, they will have a blast!*

IN-Reach-We continue to seek out others in need within the community.

**Help us reach our Easter offering Goal \$1200.00**

**This helps pay for our missionaries around the world!**

## **Our Mission:**

**To seek opportunities to build authentic relationships in order that we may be a means of God's Grace.**

## **Our Vision:**

**To SOAR Beyond the mediocrity of Mere Christianity!**

**Baby Day**

## May 4

Lisa Skinner will be getting with the parents to discuss ways we plan on using this day to reach the community. If you have friends whom are having babies let them know about this day.

Lets' be intentional about asking for prayer for parents with young children for this day.

On this day we will have each family with a baby or small child come forward and we will pray for them. We are asking all parents of children to please email or bring to Pastor Jeff your child's baby pictures. We will create special Power Point for this day to be played during the service.

If we have any new families with babies in the congregation on this Sunday we will ask people within the church to "adopt" this family and pray for them for the rest of the year. We will have a camera to take their picture and will give each adoptive family a card with notes about the adopted family.

## Children's Week June 1-8

*Family Week- May 5-11*

## Mission Offering Project June 1 2008

Saturday June 7 and Sunday June 8 Viva network encourages Christians around the world (that includes Auburn) to pray for children At Risk. We are asking all of our families to Mark your calendars and take the time on this day to say a prayer for these children. Ask God to help these children learn about Jesus and accept Him as their savior. You can learn more about this at [www.viva.org](http://www.viva.org)

### Sermons online

After a brief hiatus the sermons are back on line. If you missed a Sunday, or just have some extra time you can do here and download the mp3 or listen on line. We should never underestimate who or what God will use to communicate his word. He even used a donkey to speak to Balaam ([Numbers 22:37,38](#)) So he can even speak through me. (ha-ha)
